

HEALTH 2008
BY OBJECTIVES/RESULTS

GOAL FOR HEALTH:

Recognizing the critical role of quality and accessible health and mental health care in the well-being of individuals, families, communities, and the city as a whole, the Foundation invests in organizations, programs, and projects that achieve results aligned with the three objectives outlined below.

OBJECTIVE 1

Promote access to care for underserved and/or uninsured populations.

Results sought:

- A. Increase the number of New Yorkers with adequate and appropriate health insurance, with a particular focus on building enrollment in existing public and/or publicly subsidized insurance programs
- B. Significantly reduce language, cultural, physical, financial, and systemic barriers to care

CHILDREN'S DEFENSE FUND - NEW YORK

www.cdfny.org

To help launch a feasibility study of coordinating New York's public health insurance with diverse social welfare programs including the Earned Income Tax Credit (EITC), child care, school meals, and Women Infants and Children (WIC) programs

\$51,500

COMMUNITY HEALTH CARE ASSOCIATION OF NEW YORK STATE

www.chcanys.org

To help maintain and expand technical assistance and support to health centers across New York City

\$95,500

PACE UNIVERSITY

www.pace.edu

To help support the Lienhard School of Nursing's Cultural Competence, Nursing, and Interdisciplinary Team Care program

\$65,000

OBJECTIVE 2

Increase the capacity of New Yorkers to be active and educated health care consumers who are able to make informed choices about their own health and effective use of the health care system.

Results sought:

- A. Increase the number of New Yorkers who effectively navigate health systems, utilize care, and manage their health

Within this focus area, priority is given to the creation and demonstration of promising models and the training of practitioners.

THE CHILDREN'S HEALTH FUND

www.childrenshealthfund.org

To help support Phase II of the Healthy Connections program, a coordinated system of outreach, linkages, and referrals that meet the health needs of children in Harlem

\$150,000 (over two years)

\$200,000

LITTLE SISTERS OF THE ASSUMPTION FAMILY HEALTH SERVICE, INC.

www.littlesistersfamily.org

To help support capacity building efforts

\$100,000 (over two years)

OBJECTIVE 3

Promote the development and delivery of quality and responsive care for the most vulnerable populations.

Results sought:

- A. Increase the number of vulnerable New Yorkers benefiting from responsive, evidence-based, non-disease-specific services, such as palliative care and family care giving

Within this focus area, priority is given to the creation and demonstration of promising models and the training of practitioners.

ALZHEIMER'S ASSOCIATION,
NEW YORK CITY CHAPTER

www.alznyc.org
